Also, I am working on an updated Membership Directory (see form on front flap). Please drop this off or send me an email with updated information.

Did you know that the Knights of Columbus has contributed in excess of 1 billion dollars over the past 10 years to people with intellectual disabilities.

Notes from the Grand Knight . . . Thanks to all the dedicated volunteers who helped at the Heart of Illinois Fair.

The Knights of Columbus Supreme National Convention is this week. The opening Mass is Tuesday morning, August 4th, and most of the convention can be watched live on the EWTN channel.

Membership is one of our main goals this year. If you are a member and haven't been active, now is the time. Please come out and get involved and participate in the many functions going on with the council. If you know a Catholic gentleman that is not a member of the KofC, ask them to join. Many times, the reason a person is not a member is because he has not been asked. We have lots to do at Spalding Council, so many hands make for lighter work.

We will have a 1st degree initiation at 6:00 before the August 28 Council Meeting. Also there will be a Major Degree at our Council on Sunday Oct 26. If you need a Form 100 application, we have them.

Please remember in your prayers our members on the list. They really do appreciate it. Look forward to seeing you at the Knights of Columbus. —Sam Joseph
